Book Description

Publication Date: January 1, 1994 | Age Level: 3 and up

Harvey Moon's room is a mess! Clothes are everywhere, sticky comic books are shoved under his desk, and there's a cookie under his bed that's so old it's turned gray and fuzzy. What a disaster!

There won't be any cartoons until his room is absolutely spotless. But just when Harvey thinks he's finally done, he discovers that his idea of clean is not the same as his mother's!

Editorial Reviews

From Publishers Weekly

Harvey's Saturday cartoon viewing is disrupted by "the voice of DOOM" (his mother): "Today, young man, your room!" Spurred on by the hope of getting back to the TV, Harvey reluctantly begins the difficult task of cleaning up the mess that he has accumulated. He hurries past the TV, picking up T-shirts and sneakers, marbles and other things, Harvey's travails, mysterious lumps begin to form on his bed. Harvey's "hide-it" method of housekeeping is enough to irritate his mother. Many children will empathize with Harvey and his sloppiness, and recognize the challenges of keeping a tidy room. Cummings' (My Mama Needs Me) art is a boisterous clutter of color, providing a bouncy, rhyming text. The facial expressions of Harvey and his cat are particularly amusing. Ages 4-7

From School Library Journal

Grade 1-3--Harvey Moon is just settling in to watch his favorite Saturday morning cartoon when his mother appears in the room. Absolutely stricken, he moans about the television shows he'll miss, but grudgingly proceeds to clean up his room. Dirty jeans; wet swim trunks; and warm, gray, recognizable lumps are just some of the items that Harvey must deal with during his marathon chore. The bright illustrations in crayon-box hues are lively and humorous, depicting American child and his wealth of worldly possessions. The rhyming story line, although slight, will appeal to young readers who have faced the inevitability of chores when more enjoyable possibilities beckon. --Anna DeWend, Milwaukee Public Library

🌟🌟🌟🌟🌟 Just what our kindergardener needed!, April 16, 2009

This review is from: Clean Your Room, Harvey Moon! (Paperback)

The books attraction for me was that it was one of the few books that featured the innocent exploits of a african-american boy and the resulting junk pile that inevitably results when he fails to clean up after he uses his things. Our young one was fascinated to see the similarity between himself and Harvey. I used it to get him on a room clean up schedule. (The pictures and Harvey's story made my request seem somehow more legitimate!)
